A place designed around the way you live.

Every project begins with understanding you — your lifestyle, your requirements, your future plans, and the way you want to experience your space. From the first sketch to the final finishing, we bring architecture, interiors, and construction together under one vision, so nothing gets lost between the drawing board and the site.

Danial Khan & Associates is based in DHA Phase 3, Lahore, working across residential, commercial, and recreational projects — turnkey houses, hospitality renovations, sports facilities, and civic buildings — with one team carrying each from concept through handover.

WHAT WE DO

Three disciplines, one contract

Architecture

Residential & commercial architecture, space planning, floor plans, elevation design, working drawings, 3D visualization, structural & MEP coordination.

Interior Design

Residential & commercial interiors, kitchens, bedrooms, living & dining, bathrooms, furniture design, lighting & ceiling design, material selection.

Construction

Grey structure, finishing, turnkey construction, renovation, site supervision, project management, quantity / cost planning.

SELECTED WORK

A sample of recent projects

Shah Heights

MIXED-USE PLAZA · LAHORE

A retail podium with residential and office floors above, organised around a shared plaza and a fluted dark facade that anchors the corner site.

The Den Hotel

HOSPITALITY INTERIOR · LAHORE

Public floors and guest interiors reworked around a warm, stone-and-walnut material palette, with lighting doing most of the atmosphere.

Faisalabad Railway Station

INFRASTRUCTURE RENOVATION · FAISALABAD

A working station renovated in phases to keep platforms operational, with a restored arcade along the main concourse and reworked interior halls.

International Squash Court

SPORTS FACILITY · LAHORE

A single-volume court building planned around daylighting and acoustic control, with services tucked behind the back wall.

Sports Board Pavilion

SPORTS FACILITY · LAHORE

A pavilion combining spectator seating, changing facilities, and administrative offices for a sports board client.

Gymnasium at Thokar

SPORTS FACILITY · LAHORE

A double-height training hall with a mezzanine running track and clerestory glazing for daylight without heat gain.

Paddle Tennis Court

SPORTS FACILITY · LAHORE

A compact recreational build with glazed enclosure walls and a lightweight roof spanning the court.

Elite Training Station

SPORTS FACILITY · LAHORE

A training facility designed for daylight, ventilation, and a clean circulation path between training zones.

CEO Office

OFFICE INTERIOR · FAISALABAD

An executive office fit-out built around a restrained material palette — timber, stone, and brushed metal.

Office Secretariat

INSTITUTIONAL · LAHORE

A civic office building planned for daylight and ventilation across deep floor plates, with a formal public entrance.

Mandi Ahmadabad

CIVIC / MARKET · AHMADABAD

A market building planned around vehicle access, covered trading bays, and clear sightlines for management.

1 Kanal Residence

RESIDENCE · 1 KANAL · LAHORE

A contemporary 1 Kanal home built around a double-height entrance volume and a dark, fluted facade language.

2 Kanal Residence — 1357X

RESIDENCE · 2 KANAL · LAHORE

A larger-format version of the 1357X design language, scaled up to a 2 Kanal plot.

Pentagonal House

RESIDENCE · 2 KANAL · LAHORE

A 2 Kanal residence built around an angled, pentagonal footprint that opens the main facade toward the street.

Faizan Residence

TURNKEY RESIDENCE · 10 MARLA · LAHORE

A 10 Marla turnkey residence — architecture, structure, and interiors delivered as one contract.

Fayaz Nazim Residence

RESIDENCE · LAHORE

A private residence with a calm, contemporary street facade and a landscaped forecourt.

5 Marla Residence

RESIDENCE · 5 MARLA · LAHORE

A compact 5 Marla home planned to feel larger than its footprint through careful massing and glazing.

5 Marla Modern

RESIDENCE · 5 MARLA · LAHORE

A modern take on the 5 Marla house type, with a simplified material palette and a strong entrance datum.

5 Marla — New Elevation

RESIDENCE · 5 MARLA · LAHORE

A further study on the 5 Marla house type, refining proportion and facade rhythm.

Classic Homes — 5 Marla Apartments

MULTI-FAMILY RESIDENTIAL · 5 MARLA · LAHORE

A multi-family building with repeated classical bays, designed to read as one composed facade rather than stacked units.

LC 23

RESIDENCE · LAHORE

A residential elevation study developed alongside a full animation walkthrough for client presentation.

1357 X Lounge

LOUNGE INTERIOR · LAHORE

A lounge interior built around warm wood tones, layered lighting, and a restrained material story.

10 Marla Renovation

RENOVATION · 10 MARLA · LAHORE

A full renovation of an existing 10 Marla home — replanned, restructured, and refinished.

Let's build something meaningful.
